TREAT Initiative Reentry Simulation

Four training
opportunities:

- | | June 18 | June 23 |
|---|----------------|----------------|
| • | 8:30 – 11 a.m. | 8:30 – 11 a.m. |
| • | 12:30 – 3 p.m. | 12:30 – 3 p.m. |

You're invited to attend a simulated training to experience the journey of self-sufficiency navigated by individuals returning to the community post-incarceration.

There will be four training opportunities:

Wednesday, June 18, Milford, MA

- 8:30 – 11 a.m.
- 12:30 – 3 p.m.

Monday, June 23, Lynnfield, MA

- 8:30 – 11 a.m.
- 12:30 – 3 p.m.

→ [Click here to register for one of the four sessions.](#)

During the two-hour interactive training, participants will assume the role of a returning citizen and simulate the first 30 days post-release. The program goal is to provide participants with a deeper understanding of reentry challenges, including housing, employment, transportation, and other systematic obstacles.

- This workshop will require participants to be **moving** and **interacting** with one another.
- Participants will gain an understanding of the challenges people face when released from incarceration.

For more information on other TREAT trainings, visit the [TREAT Initiative webpage](#).

Funded through the Training for Recovery & Engagement in Addiction Treatment (TREAT) Initiative, which includes the Massachusetts Department of Public Health, the Bureau of Substance Addiction Services (BSAS), and the Bureau of Justice Assistance in collaboration with its partners the Massachusetts Executive Office of the Trial Court and ForHealth Consulting at UMass Chan Medical School.
