

MAKING A JOB CHANGE?

SHARE YOUR FEEDBACK

BSAS is seeking feedback from those who are leaving their positions in the substance use/addiction field.

The DPH Bureau of Substance Addiction Services (BSAS) is interested in how and why substance use/addiction workers make job changes. We hope to find out more about workers' experiences and how to support them. If you have recently left or are in the process of leaving your job, we ask you to complete this optional and anonymous survey. We are not asking for your or your company's name. Your time is greatly appreciated.
